## Summer Meals Program

TV Schools is offering a FREE summer lunch program! Lunches will be provided to ANY child ages 1-18 weekdays starting Monday, June 12, from 11:30 a.m.-1:00 p.m. at TV Primary School located at 8647 First Street, Mineral City. Lunches will also be available on Mondays, Wednesdays, and Fridays from 11:30 a.m.-1:00 p.m. at the Warren Township Community Center located in New Cumberland. The district invites any family with children ages 1-18 to take advantage of this magnificent program! Lunches will be kid friendly! The lunches will also feature literacy activities coordinated through the local libraries.

This program is sponsored by the Ohio Department of Education and the USDA. Please contact Mrs. Diana Flickinger, Food Services Coordinator, at (330) 859-8877 or [diana.flickinger@tvtrojans.org](mailto:diana.flickinger@tvtrojans.org).

## Congratulations TVHS Class of 2017

The graduation ceremony for the Class of 2017 was held on Friday, May 26 at 7p.m. in the TVHS Gymnasium. 116 students received their diplomas from Tuscarawas Valley High School, and we welcome them now as alumni to Trojan Country! The following members of the Class of 2017 graduated with honors from Tuscarawas Valley High School and Buckeye Career Center. Congratulations!

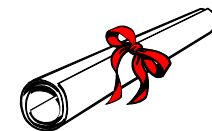

*Summa Cum Laude Honors (l-r) Row 1: Lauren McMullin, Kylie Thomas, Lydia Vanoster; Row 2: Landen Thompson, Grant Gursky, Seth Lawver, Matt Kubina.*

*Magna Cum Laude Honors (l-r) Row 1: Kate Waller, Samantha Pruett, Matt Salvo; Row 2: Brandon Caughey, Elizabeth Hutchison, Peter Hopwood.*

*Cum Laude Honors (l-r) Row 1: Adam Sanders, Molly Donaldson, Victoria Hughes, Hayley Gates, Alex Mizer, Melissa Snyder; Row 2: Heather Rich, Lauren Rennicker, Paige Levensgood, Nate Ackerman.*

## Welcome New Students

Summer is often a time when new families move into the school district. If this happens to be you and your family, WELCOME!

We invite you to contact the Central Office at 330-859-2213 to register your child(ren). Beginning Monday, August 7, you are welcome to contact the appropriate building(s) for registration purposes. Please bring the following items with you to registration:

- Birth Certificate (your child MUST be five years old by August 1, 2017)
- Social Security Card
- Immunization Record
- Proof of Residency (utility bill, mortgage payment, etc.)
- Custody papers (if applicable)

The Tuscarawas Valley Local School District does not discriminate on the basis of religion, race, color, national origin, sex, disability, or age in its programs, activities, or employment.

## Exciting Opportunities...

### A Message from the Superintendent

It has been an outstanding year at TV Schools! This Summer 2017 edition of *Trojan Talk* showcases several activities from the end of the year and sets the stage for a successful beginning to the 2017-18 school year.

A topic of primary importance is the potential opportunity for a comprehensive district facilities project over the next several years. By now, nearly everyone has probably seen evidence of Rover Pipeline activity throughout the area. In Tuscarawas County, 100% of the Rover Pipeline will run through the boundaries of the Tuscarawas Valley Local School District. Our objective, therefore, is to specifically target potential utility tax funds from the Rover Pipeline and invest those dollars back into capital improvement (facility) projects. By doing so, we continuously improve the quality of education for our students and position the district for success well into the future, without placing an additional tax burden on our residents.

The Board of Education is investigating a comprehensive facilities project on the Tusky Valley Road campus to accommodate all PreK-12 students. At this time, the district has no specific idea of what the future PreK-12 facilities project or building(s) could look like.

The Ohio Facilities Construction Commission (OFCC) and Lesko Architecture are now in process of conducting a full assessment of existing facilities and updating the district's enrollment projection to determine potential options best suited to the needs and culture of our school district and community. Master planning and consideration of facility options will begin once all assessments, projections, and site surveys are complete, most likely by December 2017. From what we understand, it would likely be Fall 2022 for the completion of any construction/renovation.

We are excited about this possibility for the future of our TV Schools and community! We will continue to work hard and optimistically (yet cautiously) take the necessary steps to be prepared for this opportunity.

My best wishes to all students, staff, and families for a magnificent summer! GO TROJANS!

For All TV Children,

*Mark A. Murphy*

Mark A. Murphy  
 Superintendent

### 2017 Back to School Blast

All TVLS families are invited to the Back to School Blast from 5:00-7:00 p.m. on Thursday, August 17 at TV Middle School. Food will be provided, along with numerous family activities, including inflatables, a photo booth, and musical entertainment for everyone to enjoy. Various civic and community organizations will be on hand to share local information and services. Complimentary haircuts will be available by R U Stylin' of Bolivar and there will be several types of giveaways, including \$10 Walmart gift cards for the first 140 families to register and school supplies and clothing from local churches. The District Payment Center will be open for parents to pay school workbook fees (K-4: \$50; 5-8: \$25) and Chromebook insurance fees (5-11: \$30). Students in 6th - 11th grades can also look forward to picking up their Chromebooks at the Chromebook Distribution Center. Bring the whole family and come and enjoy the TV Back to School Blast & BBQ!

### School Fees

Workbook fees for the 2017-18 school year are as follows:

- K-4: \$50
- 5-8: \$25 (plus \$30 technology fee for Chromebook maintenance/insurance)
- 9-12: As listed in 2017-2018 TVHS Course Registration Guide (plus \$30 technology fee for Chromebook maintenance/insurance, Grades 9-11)

### Lunch Prices

Prices for school lunches for the 2017-18 school year remain unchanged, and are as follows:

- PS/IS: Breakfast ..... \$1.50
- PS/IS: Lunch ..... \$2.50
- MS/HS: Breakfast ..... \$1.50
- MS/HS: Lunch ..... \$2.75

*Liz Hutchison, Grant Gursky, Nate Ackerman, and Heather Rich show off their first-place trophy for Computer Integrated Manufacturing (CIM) at the 2017 PLTW Showcase.*

## After-School Program Thrives

Over 300 students enrolled in the 2016-2017 After-School Program. Thanks to funding provided by a 21st Century Grant, 29 different classes were offered to students in Grades 5-12 in academic and extracurricular activities. An average of 100 students stayed each night to receive homework help, tutoring, or to participate in a variety of classes. Parent surveys completed in May indicated that 98% of parents felt their child's academics improved by being involved in the program. One parent commented, "Our child loves the After-School Program! The programs are engaging and enriching. They provide an extra layer to extracurricular activities that have an excellent impact socially." One student remarked about the program, "It is a great way for us to learn new things and do the things we love, and I appreciate that." The highlight of the program is our Achievement Club where students receive individual and small group tutoring and homework help to enhance their

academic learning and to reinforce what they learned during the school day. Over the course of the year, the program sent students to Akron Children's Hospital to deliver blankets and visit patients, presented *Willy Wonka, Jr.*, provided Financial Peace University, Hunter's Safety, and sponsored numerous family events. Tusky Valley continues to have one of the most robust after school programs in the state. Thank you to all the students, staff, parents, and community members who helped make this year's program the best it could be!

## TV Schools Launch PLTW Districtwide

Beginning next year, Tuscarawas Valley Local Schools will become a K-12 Project Lead the Way (PLTW) district. Thanks to a Chevron grant, along with generous support from numerous county businesses and foundations, TV Schools will now offer STEM (Science, Technology, Engineering, & Math) courses and enriched learning activities beginning in kindergarten at TV Primary.

The Tusky Valley PLTW program continues to excel and expand, thanks to the vision of PLTW teachers **Ron Gauding, Janet Cornell, and Tiffany Shaw**. This spring, Tusky Valley dominated the 9th Annual PLTW Showcase held on May 11 at Buckeye Career Center, claiming first place in every high school category and also claiming two seconds and a third. Tusky Valley additionally earned a second and third place finish in the middle school divisions. Next year, elementary STEAM (Science, Technology, Engineering, Art, & Math) teachers **Sarah Schoeppner** and **Misty Ward** will help implement PLTW in Grades K-3.

## ALICE School Safety Training

This summer, TV staff members will be trained by **Detective Adam Fisher** of the Tuscarawas County Sheriff's Department in ALICE School Safety Training. ALICE stands for Alert, Lockdown, Inform, Counter, and Evacuate. This full-day training is one more step proactive step in the district's commitment to keep students, staff, and guests safe at school. In addition, monthly district safety scenarios are shared and discussed with all employees. TV Schools appreciates the strong partnership with local law enforcement and safety technology made available by Lauren Innovations and Lauren International of New Philadelphia.

*TV Intermediate fourth-grade students work together to learn about energy conversion.*

## Camp Invention Ignites Summer Learning

Camp Invention was happy to come back to TV Intermediate School June 12-16, for the second year in a row! Hosted by Tuscarawas Valley Local Schools, Camp Invention serves as the only camp in Tuscarawas County. This summer, 65 students (Grades PK-6) from Tusky Valley, Dover, Strasburg, New Philly, Sandy Valley and Claymont, participated in Camp Invention's program called *Launch!*

The *Launch!* program was developed by National Inventors Hall of Fame inductees and provides STEM (Science, Technology, Engineering, & Mathematics) and innovative learning opportunities for all campers. In each activity, campers used all recyclable items to build and create a variety of innovative products to solve real-life problems.

In *Duct Tape Billionaire*, taught by third-grade teacher **Nicole Larkin**, students became entrepreneurs as they designed duct tape products, built inventories and launched their startup to bring inventions to the market. Third-grade teacher, **Missy Russell**, led the campers through *Mission Space Makers*. They built and launched a space rocket to help them complete a space mission aimed to prepare a new planet for human habitation.

Elementary technology teacher **Sarah Schoeppner** helped campers create the ultimate *Spy Gadget Alarm Box*. In *Operation Keep Out*, campers practiced reverse engineering to take apart old electronic items and re-use them to keep their priceless treasures safe. In *Have A Blast*, fourth-grade teacher **Sheila Vogley** helped campers team up to compete in friendly air battles by constructing their own high-tech bubble blaster.

Camp Invention was made possible by AEP Ohio and the National Inventors Hall of Fame.

## TV Staff Rocks Our World

Forty employees of Tuscarawas Valley Local Schools were honored at the 2017 Staff Recognition Luncheon held Friday, June 2, in the TV Middle School cafeteria. The theme for the annual recognition luncheon was "TV Staff Rocks Our World." Superintendent Mark Murphy addressed employees, praising and thanking them for making a world of difference in the lives of all students and families of the community. "This recognition luncheon is a special time where we gather as a district family to honor our retirees, recognize individuals for years of service, and celebrate the conclusion of a spectacular year."

Tusky Valley Schools congratulates and sincerely thanks the following retirees (pictured right) for their **OUTSTANDING SERVICE TO THE STUDENTS, STAFF AND COMMUNITY OF TV SCHOOLS**: **Tom Bowe** (Custodian, 8 years), **Sharon Johnson** (TVHS English Teacher, 21 years), **Doris Newell** (TVHS Geometry Teacher, 24 years), and **Deb Perretta** (TVMS Social Studies Teacher, 30 years).

### Retirees

**PERFECT ATTENDANCE:** **Sandy Denczac** (TVMS Cook), **Ken Fanty** (WTCC Bus Monitor), **Steve Franks** (Athletic Director), and **Curtis Love** (TVHS Social Studies Teacher).

# Awards

## Senior Choir

## Beauty and the Beast on the New Stage

Tusky Valley High School presented Disney's *Beauty and the Beast* in its newly renovated auditorium May 5-7, directed by **Carrie Alexander Spina**. The production featured over 30 students, including **Madeline Ellesworth** as Belle, **Nate Ackerman** as the Beast, **Landon Fox** as Gaston, **Aiden Ellsworth** as Lumiere, and **Lauren McMullin** as Mrs. Potts. Spina was joined by music director **Megan Sams**, choreographer **Shaina Spillman Lutz**, and assistant director **Taylor Scott**.

## TVHS Concert Band Captures Straight 1's

The TVHS Concert Band competed in the Ohio Music Education Association State Adjudicated Event on Saturday, April 29, at North Royalton. The band received four straight ratings of 1 (superior), the highest rating possible. It was the first time in school history the band received four 1's at the state competition. *Congratulations to all band members and directors!*

## TV Speech Soars to National Tournament

Tuscarawas Valley Junior **Drake Spina** qualified for and competed at the National Speech Tournament held in Birmingham, Alabama June 18-23. Spina competed in the category of humorous interpretation and was accompanied by his director and mother, Mrs. Carrie Alexander Spina of Bolivar. The TVHS Speech and Debate program has grown significantly each year under Spina's leadership and remains the only high school in the county with a competitive speech team.

## Spring Athletic Highlights

In addition to the outstanding accomplishments made last fall by our Girls' Cross Country Team earning eighth place at the state meet, Boys' Golf Team winning their third straight PAC Title, and Volleyball Team ending the season as the state runner-up, we saw great things from our Tusky Valley athletic programs in the spring.

While enduring a disappointing start to the season, the Boys' Basketball Team worked hard and made a great run in the tournament before falling short in the District Final game. As the boys' team finished as District Runner-up, the Lady Trojans' Basketball Team made a run of their own and finished the regular season with a 17-5 record before winning the district title and reaching the Sweet Sixteen regional semifinals. The Trojan Baseball Team had a tale of two seasons. They started the season with 2 wins and 11 losses, then finally started putting things together and finished the year 11 and 2 to enter the district championship game. The TV Baseball Team was unable to beat the eventual state runner up in the District Finals and finished the season as District Runner-up. We would also like to congratulate **Madi DeBos** and **Justin Merrick** for earning a trip to compete in the State Track and Field event in May.

*Madi DeBos and Justin Merrick*

To wrap up the year, Tusky Valley finished fifth in the final PAC All-Sports Trophy standings. Congratulations, all Trojan athletes!

## 2017 Overcoming Obstacles Award

Tuscarawas Valley Local Schools congratulations **Bailey Sites**, upcoming TVHS senior, for being recognized by the East Central Ohio Educational Service Center (ECOESC) with the 2017 Overcoming Obstacles Award. The award was presented at a May 2nd dinner ceremony at Buckeye Career Center. *Thank you, Bailey, for being an excellent role model and inspiration to others!*

## Eighth-Grade DC Trip

The eighth-grade students of Tusky Valley Middle School visited our nation's capital from May 30 to June 1, 2017, for the annual field trip to Washington, DC. Students had the privilege of visiting numerous historical sites, including the National Cathedral, Capitol Building, Air and Space Museum, Natural History Museum, White House, Mount Vernon, Arlington National Cemetery, Iwo Jima, Air Force Memorial, Lincoln Memorial, Vietnam Memorial, Korean Memorial, WWII Memorial, Martin Luther King Jr. Memorial, Franklin D. Roosevelt Memorial, and Jefferson Memorial. In addition to informational tours, students were fortunate to take a dinner cruise on the Potomac River. The eighth-grade DC trip is coordinated by Mrs. Janet Cornell.

## New Entrance Mat for TVMS

The TVMS Student Council had an outstanding and very active school year. Student Council provides valuable support to the school and leads a variety of helpful and fun activities for students throughout the year. Through fundraising efforts, a brand new entrance mat was dedicated by the TVMS Student Council in May. The new entrance mat is a welcoming feature for students, families, and guests as they enter the building. TVMS Student Council is under the leadership of Mrs. Janet Cornell.

## 5th Grade Orientation

All incoming fifth-graders are strongly encouraged to attend **Fifth-Grade Orientation on Thursday, August 17 beginning at 1:30 p.m. at the Middle School.** Students will receive their first day paperwork, Chromebook and t-shirt. Students will also meet fifth-grade teachers, learn about their schedule, and practice using their locker combination. Students are encouraged to bring their school supplies and put them in their locker during orientation. As an added convenience, the District Payment Center will be open for parents to pay the Chromebook insurance fee (\$30) and relevant school fees at this time (K-4: \$50; 5-8: \$25).

## TVMS Earns Math Championship

Sixty students in Grades 5-8 competed in the annual East Central Ohio Educational Service Center (ECOESC) Math Tournament held May 17-18, at Buckeye Career Center. A total of 660 students from 11 schools in Tuscarawas, Carroll, and Harrison Counties participated. TV Middle School students accumulated more points than any other district and won the overall championship for the second time in the past five years! The John Evansky Memorial Trophy was presented to participants and teachers Mrs. Starkey, Mr. Blile, Mr. Ward, Mrs. Settimio, and Mr. Peterson. Congratulations to everyone who participated!

## Willy Wonka, Jr.

TVMS students, under the direction of **Mrs. Carrie Alexander-Spina**, presented *Willie Wonka, Jr.* on May 24-25 in the TVHS Auditorium. The cast and crew worked the entire spring semester as part of the district's 21st Century After-School Program to prepare for this entertaining and timeless production of a world-famous candy man and his quest to find an heir by Roald Dahl.

## TV Primary Behavior Incentive Assembly

To celebrate students' outstanding behavior throughout the year, students at TV Primary were treated to a special behavior incentive assembly on May 23. **Outback Ray** from "down under" came and presented his Amazing Animal Show with the students. Squeals of laughter echoed throughout the gym as Outback Ray shared his hissing cockroach, lop-eared bunny, and SpongeBob, the Albino Burmese Python. We are very privileged to have these opportunities to share with our students. Events and opportunities like these allow our students to learn, grow and mature. Tusky Valley is a great place to be!

*Lauren Secoy and her father, Chris, show their Trojan Spirit!*

## Safety Town

Students at TV Primary School had a blast learning about rules, procedures and safety within the community during the week-long Safety Town program. The TVPS gymnasium was transformed into a small town with buildings, roads, stop signs, crosswalks and our own stop light. Daily sessions on road and pedestrian safety were led by Mrs. Sandy DeBos, physical education teacher, while Nurse Debbie Crank taught students the importance of bicycle safety.

By the conclusion of Safety Town, kindergarten students visited the Mineral City Fire Station, listened to a presentation by a Tuscarawas County Sheriff Deputy, and participated in a bike helmet safety discussion led by Union Hospital employees. Each kindergarten student was given a new bike helmet donated by Union Hospital Emergency Room physicians.

A special thank you also goes to the Tuscarawas Valley PTO for donating two new bicycles to raffle off to our students. We are confident that our Safety Town week will help students navigate our local towns over the summer months as they play and explore.

# Kindergarten

## Beginning of Year Kindergarten Schedule

The first week of school for Kindergarten students is different from other grades in the district. According to the Ohio Department of Education, all kindergarten students must take the "**Kindergarten Readiness Assessment**" (KRA). This test will be given **Wednesday, August 23rd through Friday, August 25th**. Each student will be given a 40-minute time-slot to attend a one-on-one assessment with a teacher. Once the assessments are completed, classes will begin for students.

In order to make it an easier transition, children will be given transition days to attend when only half the class will be present. **Kindergarten transition days** will be held **Monday, August 28th and Tuesday, August 29th**. This gives your child time with his/her teacher to learn the daily routine without so many children attending. Teachers usually request that parents bring their kindergarten child(ren) to school that first introduction day for half of the class so that they can go over classroom expectations with both the parents and the children. Specific dates and times for KRA and the transition day, along with the child's teacher's name will be mailed home by August 12th. If there are any questions during the summer, please email Mrs. Andrea Clements, TV Primary Principal, at [andrea.clements@tvtrajans.org](mailto:andrea.clements@tvtrajans.org).

## Kindergarten and Preschool Registration

We are busy making arrangements for the 2017-2018 school year!

### Kindergarten

Registration is open for all students kindergarten (5 years of age by August 1, 2017) and older. If you have a student, or know a child that is eligible for kindergarten, please contact the Primary School office at (330) 859-2461 in order to complete registration forms.

The following documents are required in order to register a student for kindergarten:

- Birth certificate
- Social security card
- Current immunization record, proof of residency (such as a utility bill) and custody papers (if applicable)

### Preschool

Applications are also being accepted for the TV Preschool Program. Our program is a half-day program which offers both a morning and afternoon session. In order to attend, students must be four (4) years of age by August 1st, and/or have been identified with a financial or special need. If you have a child who will be four years old by August 1, 2017, or believe your child has a special need such as speech, learning or motor difficulties, please make sure to contact the school office to receive an application. Once an application has been submitted, families will be contacted to begin the screening process.

# Trojan Talk

## Elementary Cross Country

The TV Elementary Cross Country program will begin on August 9th and is open to any students in Grades K-6 who loves to RUN! The team will participate in 8-10 area races throughout the 2017 season. The goal of the elementary school cross country program is to introduce students to the sport and have a lot of fun along the way. If interested or to learn more, please contact Sandy DeBos at 330-243-1190 or Mandy McElwee at 330-859-8803.
