Dear Friends of TV Schools,

**It is time to ACT NOW to further develop the Tusky Valley Fine Arts program and SHOW our students that we believe in their abilities and are committed to ongoing improvement.**

As you may know, our school district has now entered the final push of our "Adopt-a-Chair" fundraising effort to renovate the existing **1960 TVHS Auditorium**. This has been an ambitious, community-driven effort over the past four years, and I would like to invite you to partner with us for the completion of this project.

**We are approaching our original fundraising goal of \$150,000** thanks to the generosity of individual and business donors, foundations, and the Board of Education. Work is scheduled to begin on Monday, December 12.

**We would like to extend to our TV parents, families, businesses, and community organizations a FINAL OPPORTUNITY to contribute to this much-needed renovation project. The deadline to be included for name or contribution recognition is January 31, 2017.** Please consider a year-end or beginning of year tax deductible contribution (please consult your tax advisor for details).

Various giving levels have been established to fit your giving wishes. **A donor plaque with the names of all donors (\$50 minimum) will be prominently displayed in the lobby outside the auditorium entrance.**
