The class of 1975 wishes to dedicate this year's edition of T.V. Hi-Lites to Mr. Russell Studer.

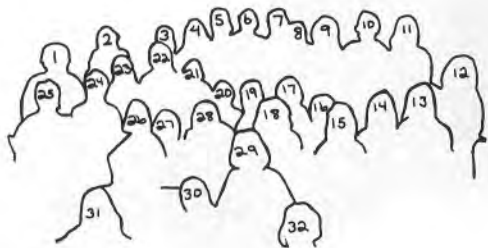

Mr. Studer and his wife, Mrs. Ellen Studer, now reside at Route 1, Bolivar. They have three sons which have all graduated from Tuscarawas Valley.

Mr. Studer has been a custodian at T.V. for 23 years. He has also driven a bus for 17 years. When asked how he liked working at Tusky Valley he replied, "I enjoy my work because T.V. is the greatest. It has brought me in association with wonderful people."

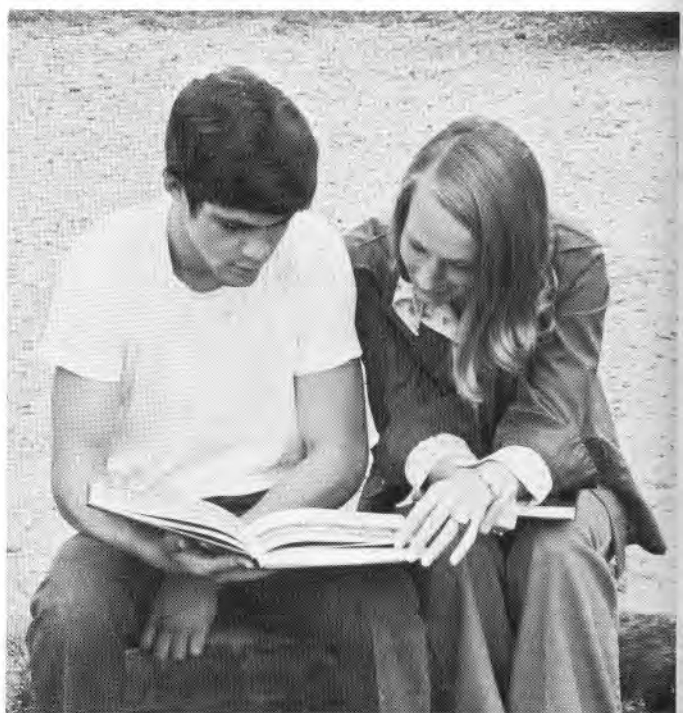

We wish to express our appreciation to Mr. Studer for his hard work and dedication to Tuscarawas Valley High School.

Every day we walk through
the same doors . . .
sit in the same chairs . . .
and lean against the same
lockers.

During our years the path
never changes . . .
only our direction and des-
tination.

Now comes the time when the
doors open wide . . .
the inside turns to outside
and we must make it on our
own!

When football season is over and no more after school practices exist, recall the memories of... being so mad you could bite his head off... getting butterflies in your stomach... playing the fight song after every touchdown... giving head commands... filling your horn with pride... and of course, once in a while taking time out to rest.

It was a dreary day, but as time came for the game, the sun was bright and the air was filled with cheer. Julie's soft and calm voice throughout the stands lingered in the peoples minds as the team rolled over Garaway with full force. . . Later in their evening attire with the game off their minds they enjoyed themselves at the elegant dance.

Memories

are made

of these

Memories are material things to be felt in the same perspective as when they were realities...

a quiet thought... a bonfire rally... contributing to the 50's fad... skits to promote school spirit...

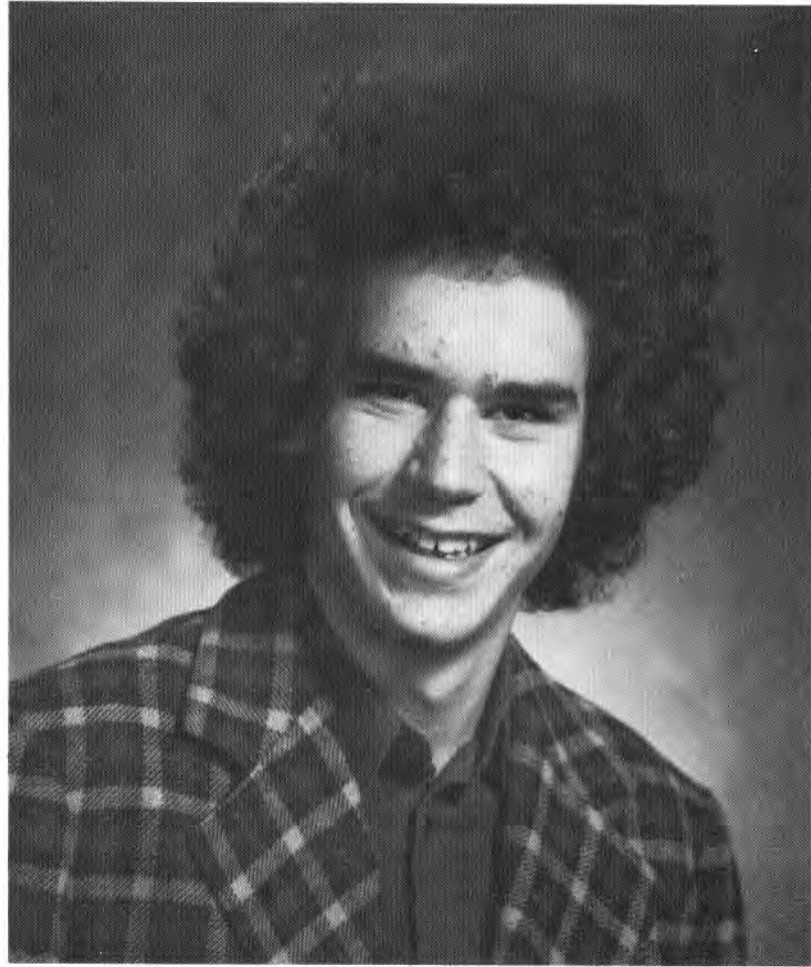

... all contributing to the vast memory which is high school life.

Exchange Student

Ricardo Bender

From Sao Paulo, Brazil came a friendly young man named Ricardo Bender, Ricardo was ready to learn and live the American ways and the T.V. students were eager to learn his.

As a new student in his senior year at Tusky Valley, Ricardo is currently taking Advanced Chemistry, Advanced Math, English, Physics, History and Art.

In remembrance to Ricardo's stay in America, he presented Mr. Austin the Brazilian flag at graduation.

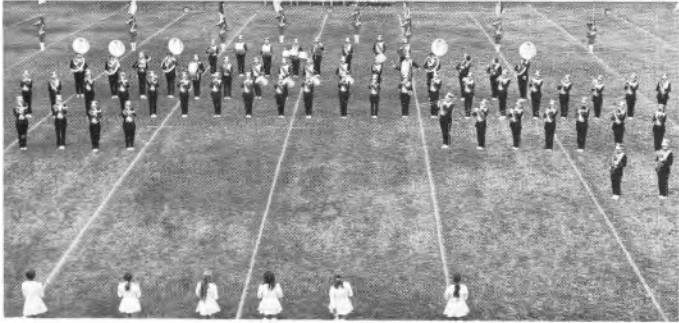

We want to wish Ricardo luck in the future and we will never forget our Brazilian friend.

Following the paths of our school activities we include the following...

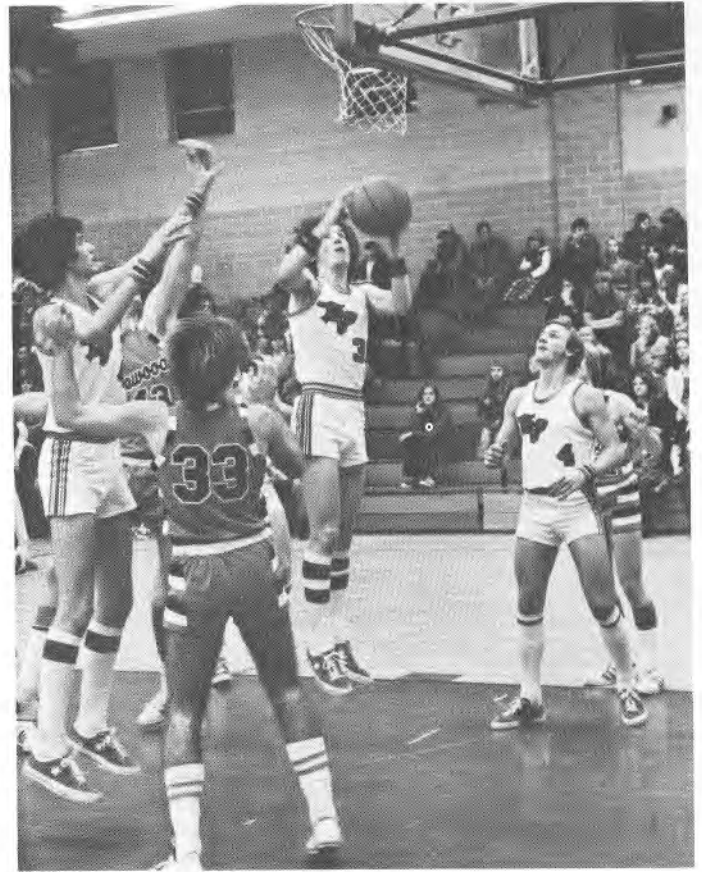

... a friendly, victorious, but tiresome game of football with our band to back us up...

...receiving an award, your senior picture and giving that important speech!

Then about in the middle of your school year the pace begins to change into a new and different path, like...

... basketball games instead of football, smaller bands for inside, and our cheerleaders cheering us on...

Then as the year draws to a close the sophomores take a big step to the future, T.V. Seniors go paint crazy, and the cafeteria finally begins to get rid of their stocked-up leftovers from September!

Junior-Senior Prom May 2, 1975

King - Mark Goudy
Queen - Paula Krieger

"We May Never Pass This Way Again" was the theme when the Senior Class of '75 was honored by the Junior Class on May 2 at the Y.M.C.A. in New Philadelphia at the Junior-Senior Prom.

The highlight of the evening was when Mark Goudy was crowned king and Paula Krieger was crowned queen by Bill Inskeep and Cindy Stephens.

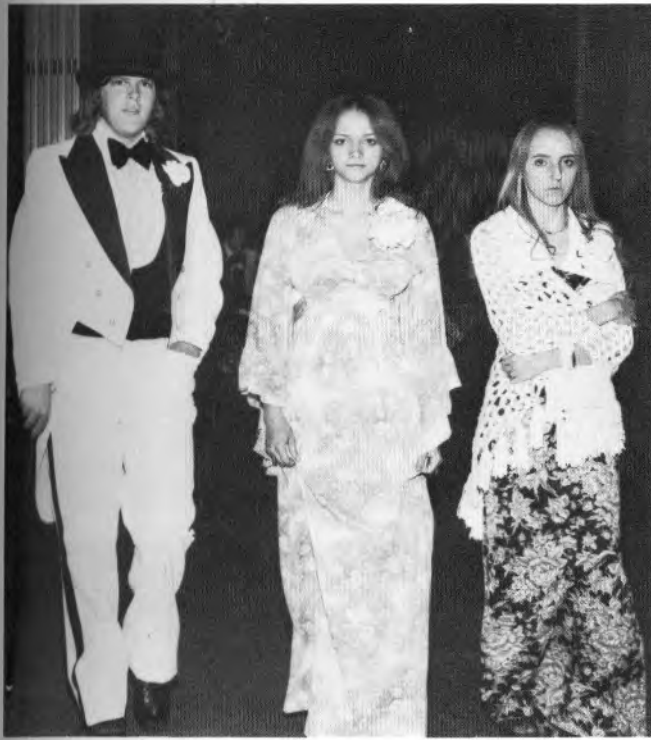

At 7 p.m. dinner was served consisting of a salad, applesauce, french cut green beans, scalloped potatoes, ham, and pie.

Bill James, president of the Junior Class, welcomed everyone and Mark Goudy, president of the Senior Class, responded. The Master of Ceremonies for the evening was Bill Inskeep.

"Sam Colletti" from Canton provided music for the Prom and Post-Prom. Other post-prom activities were held at Kinser Bowling Lanes, Putt Putt Golf Course, swimming, basketball, volleyball, ping pong, bumper pool, cards, and chess at the Y.M.C.A., and roller skating at Memorial Hall.

The guest speaker for the evening was Mr. Terry Hanni and Diane Yanice sang "Traces."

Let us remember the excitement of a thrilling year . . .
the challenge of knowing . . .
and the warmth of the smile
as we prepare ourselves for our
last year of high school.

School days filled with the
roar of the crowds . . .
the sounds of laughter . . .
and the thrill of friendship
as we meet each new day with
promises that the best is yet to
come!

Not many days pass that we are not engaged in an organization. Everything you do you do with the idea of making this year your BEST!

But whatever it is you decide to do, whether it be athletics, dramatics, or band, remember that there's excitement, joy, and self satisfaction in participating in an organization.

Other single cast members were: Bill Inskeep, Rich Critchlow, Neal Kwasnicka, Ralph Kramer, Richard Carling, Phil Seibel, Tammy Brinkman, Carolyn Birk, Scott Swank, Russ Windsor, Georgia Duckworth, Cindy Stephens, Kay Dean, and Terry Rothacher.

Office Education Association is an organization for students interested in the business world. Our OEA Chapter is active in the local and state organizations. Throughout the year the girls participate and compete in contests and other activities. These activities include such things as running for an office, competing in such fields as shorthand, typing, and other fields; and in an overall, working at being successful and respectable.

It was a new world
a world filled with strangeness
and excitement.

They wanted to do everything at
once for their minds were young
and full of plans.

Soon recognizing them as
friends

at pep rallies they cheered, softly
at first and then louder as the Big
Red Spirit entered their hearts.

And through the years of time the
spirit was there to stay.

In a world of such knowledge...
so full of brilliant people... there are
still the ones that have learned and
taught what they know to others...
our faculty!

We realize how much time and skill
it takes to be a teacher... or to run a
school and we appreciate the interest
you show... in us.

Fun is being able to run around in circles . . . eating an appetizing school lunch . . . having a shaving cream fight in the gym . . . but most of all, fun is being in a school organization.

Whether your dream is to be an athlete or an actor school organizations are your destination.

All throughout the high school years, hidden behind the dark shadows stood... sat... and stooped all these T.V. students, sometimes in positions no one ever knew existed!
