

2016-2017 Performance Index Score – Local Districts

The Performance Index measure the test results of every student. There are six levels and districts receive points for every student in each of these levels. The higher the achievement level, the more points will be awarded to the district. The Performance Index rewards districts for improving the performance of all students, regardless of achievement level.

Rank	District Name	County	Performance Index Score
1	Lake Local	Stark	101.847
