TV PRIMARY NEWS

Principal Message

Is it just me, or has this year flown by? We have had a lot of exciting times at TVPS and I look forward to the rest of the year. I have a feeling it will be over in the blink of an eye. There are many events that will keep the students busy. From field trips, STEAM day, field day, the Spring Kindergarten program, and the PTO carnival, every minute seems to be chalked full. Make sure to check out the calendar on the back of the newsletter to see the detailed list of activities. We continue to remind students that these are all fun activities that we want everyone to participate in, but are a privilege. With the end of the year in sight, student behaviors seems to be on the rise. We are encouraging all students to continue to use their Safe, Respectful, and Responsible behavior at all times! I hope you have a safe and happy spring!!

Sincerely,
Mrs. Clements

BOX TOPS

Want to help the school, but don't know how?
Collect and send in your Box Tops for Education from participating food products. The PTO submits the box tops you have sent in and receives a check from the Box Tops program. At this point in the year, the PTO has collected and received over \$1500!!! They are collecting one more time this year. Let's make the last collection the most successful!

There are many events over the next 6 weeks that require volunteers. If you are available and interested in any of the following events, please complete the attached volunteer availability form. A coordinator from each event will contact you. If you have any questions regarding the events, feel free to contact the school office.

April 29th: PTO Spring Carnival
11:00am-2:00pm

May 8th-12th: Safety Town
12:45-2:45 (daily)

May 24th: Field Day

PRESCHOOL 2017-2018

We are busy making arrangements for the 2017-2018 school year. Applications are now being accepted for the TV Preschool Program. Our program is a half-day program that offers both a morning and afternoon session. In order to attend, students must be 4 by August 1st, or have been identified with a special need. If you have a child who will be four years old by August 1, 2017, or believe your child has a special need such as speech, learning or motor difficulties, please make sure to contact the school office to receive an application. The school office can be reached at (330) 859-2461. After receiving your application, and being accepted into the program, a registration process will begin.
