

TV PRIMARY NEWS

November has flown by here at TVPS. I am so proud of the students and families for their grateful and giving hearts. This is the season for offering thanks for the things we have, but also sharing and giving to those that need a helping hand. Our students did that by contributing to the Red Ribbon Week "White Out" paper product collection, the Backpack 4 Kids canned fruit drive and now the Spirit of Giving Holiday collection. Thank you for all your support in giving to such honorable causes. Your generosity is very appreciated! I wish you all a very Merry Christmas and Happy New Year!

1st GRADE CHRISTMAS PROGRAM

On **December 8th**, the first grade students will present the program "The Littlest Christmas Tree" to friends and families. The program begins at **6:30pm**. Doors will open at 6pm. Students are asked to report to the labeled classrooms adjacent to the gym by 6:15. As a reminder, the show will be presented in the TV **Intermediate School gymnasium**. This is due to the lack of space and parking at TVPS.

S.T.E.A.M. Day

On Wednesday, November 23rd, students, teachers and volunteers used their critical and creative thinking skills to create mazes on the walls of the gym during a STEAM day (Science, Technology, Engineering, Arts and Math). Groups of students were given the challenge to plan, create and modify a design for a vertical maze using paper rolls and tape for a pom-pom to pass through. The challenge was the pom-pom had to stay in the maze for at least 5 seconds. Mrs. Schoepner and Mrs. Ward led the grade level activities to offer an engaging way to experiment and engineer a maze in collaborative groups. A HUGE thank you goes to the volunteers that supported the students in their groups!
