# Principal Message

---

*Happy Valentine's Day! I hope that February finds you well. This is a very busy time of the year at TVPS. Students are busy in their classrooms learning and creating. In order to stay up to date with your child's classroom expectations, make sure to check their weekly newsletters. Each teacher will have instructions for the upcoming Valentine's parties.*

*We have been graced with very mild winter weather up to this point. As long as the weather is above 20 degrees and it is not raining, students will be going outside for recess. They enjoy fresh air and being able to run and move. Please make sure to dress your child for the weather.*

*February is the month of love and caring. We have been discussing kind, caring words and respectful behavior. Along with encouraging kindness within our school, we are also showing kindness within the community. We have started February with "Have a Heart, Do your Part", a change drive for Akron Children's Hospital. We will end the month with the Rainbow Connection Telethon drive. We appreciate the family and community support for these fabulous charities.*

*Have a wonderful February, and as always, keep reading!!*

*Mrs. Clements*
